## Stainless Beverage Tumbler

### Application/Description

This tumbler will make the perfect traveling billboard for your message to customers or your employees. It carries a great perceived value. Similar tumblers retail for \$20.00 in coffee shops and department stores.

It has been a Strategies favorite for the past few years. It's constructed of 18/8 stainless steel. It is double wall constructed with foam insulation. It boasts a contemporary concaved design making it easy to hold. It has a stainless bottom and full inside with an acrylic top half. The push on lid has a twist closure feature that helps reduce spills and keeps the heat in when closed. Your imprint is expertly screen in one or multiple colors depending on your needs and budget.
