Thermos Stainless Hydration Bottle

Application/Description

At this price it's not a water bottle . . . it's a Hydration Bottle! You simply have to use it to appreciate it. It is the hands down BEST water/hydration bottle money can buy. The recipients of this product are sure to treasure it and mourn it if they ever lose it. It will give your imprint long term ad value and exposure. The engineering and performance are unmatched.

It features Thermos' TherMax® double wall vacuum insulated construction for maximum temperature retention. Drinks stay refreshingly cold for up to 12 hours making it ideal for water or your favorite beverage. It's unbreakable stainless steel sweat-proof design will not leave water rings. The push button flip top closure is easy to use and locks air tight to prevent leaks. Rubber accent grip makes it easy and comfortable to use. This product carries a 5 year limited warranty. Your imprint is screened in one or multiple colors depending on your needs and budget.
